

TABLE OF CONTENTS

Abstract..... TP-1
Self-Certification Resolution..... TP-2
St. Cloud Area Planning Organization Participating Members & Staff TP-3
Table of Contents..... i
List of Tables iv
List of Figures iv

LIST OF CHAPTERS

Chapter 1 Introduction

Background 1-1
Origin 1-1
Mission..... 1-1
Board Representation & Planning Boundary..... 1-2
Organizational Structure..... 1-4
Transportation Legislation 1-5
Core Functions 1-6
Transportation Plan Development..... 1-6
Needs Assessment..... 1-8
SAFETEA-LU Planning Factors 1-9
Required Elements..... 1-12
2035 Transportation Plan Outline..... 1-12

Chapter 2 Community Engagement

Background 2-1
Federal Regulations 2-2
Plan Goals and Strategies..... 2-4
Public Participation for this 2035 Plan..... 2-5
Conclusion..... 2-7

Chapter 3 Planning Blueprint

Planning Process..... 3-1
Purpose 3-1
Transportation Asset Management 3-2
Policies and Strategies 3-4
Performance Measures 3-5

Chapter 4 Land Use

Background 4-1
2005 Base Year Land Use Inventory 4-1
Land Use Forecasts 4-2

Chapter 5 Management & Operations

Background 5-2
Access and Mobility Management..... 5-2
Congestion Management 5-5
Moving Forward..... 5-7

Chapter 6 Financial Understanding & Evaluation

Background 6-1
Transportation Investment Categories 6-2
APO Existing Revenue Sources..... 6-2
State and State-Aid Revenue Sources..... 6-3

Federal Revenue Sources	6-3
Revenue Forecasts	6-3
Breakdown of Local and State-Aid Revenue Forecast	6-5
Summary City and County 2035 Revenue Forecast	6-5
City and County Investment Targets	6-6
City/County Financial Capability Finding	6-7
Mn/DOT District 3 Summary of Needs versus Revenue (APO Planning Area)	6-8
Mn/DOT District 3 Financial Capability Finding (APO Planning Area)	6-9
Summary of St. Cloud Metro Area Total Needs versus Revenue	6-9
Alternatives to Close the Funding Gap	6-9

Chapter 7 Roadway Transportation

Background	7-1
System Inventory	7-2
System Analysis	7-2
Alternative Plan Development	7-2
Comparison of Networks	7-4
2035 Project Identification	7-4
2035 “Build Alternatives”	7-5
Recommended 2035 Roadway Plan	7-7

Chapter 8 Transit Services

Background	8-1
Urban Bus System	8-2
Urban Paratransit Service	8-4
Metro Bus Capital Resources	8-6
Composition of Metro Bus Revenue Fleet	8-6
Financial Trends	8-7
Anticipated Public Transit Needs	8-8
Rural Bus Systems	8-11
Tri-CAP Financial Trends	8-14
RiverRider Transit	8-16
Additional Bus Transportation Services	8-18
Intercity Bus Travel	8-19
Rail Transportation	8-19
Intercity Passenger Rail	8-19
Commuter Rail	8-20
Other Transit Services	8-23

Chapter 9 Regional Airport Transportation

Background	9-1
------------------	-----

Chapter 10 Non-Motorized Transportation

Background	10-2
Safety, Education, & Regional Enforcement Efforts	10-4
Infrastructure	10-4
Safe Routes to School	10-5
Funding	10-6
Bicycle and Pedestrian Trip Generators	10-6
Bicycle and Pedestrian Trip Barriers	10-6
Bikeway Plan Map	10-7
Policy Recommendations	10-7
Bicycle & Pedestrian Facility Development	10-7
Bicycle Facility Maintenance & Support	10-7
Promotion and Social Support	10-8

Chapter 11	Freight Transportation	
	Background	11-2
	Modal Choice.....	11-5
	Intermodalism	11-6
	Freight Movement in Minnesota	11-6
	Truck Movement.....	11-7
	Rail Movement.....	11-9
	Water Movement	11-11

Chapter 12	Regional Safety & Security	
	Regional Safety - Background.....	12-2
	Purpose	12-2
	Safety Planning Process and Steps.....	12-4
	Federal Guidance and Requirements	12-4
	Safety Implementation.....	12-5
	Goals, Objectives and Strategies	12-7
	Regional Security – Background	12-9
	Purpose	12-10
	Emergency Response Planning Process.....	12-10
	Agencies Involved in APO Security Planning.....	12-11
	Goals and Strategies	12-14
	System Security & Identified Critical Elements	12-15
	Critical Aviation Facilities & Transportation System Elements.....	12-15
	Highway	12-17
	Rail.....	12-17
	Transit.....	12-18
	Other.....	12-19
	School Security.....	12-19
	Power Plant Security (Monticello Nuclear).....	12-20

Chapter 13	Implementation	
	Linking Transportation Modes	13-1
	Implementation Plan.....	13-2
	Consistency of Project Programming Between Plan & TIP/STIP.....	13-8

LIST OF APPENDICES

Appendix A:	Federal & State Planning Considerations.....	A-1
	Air Quality	A-2
	Conformity	A-2
	Non-Attainment.....	A-2
	Maintenance Area	A-5
	Passenger Miles	A-5
	Mode Split.....	A-5
	Short-Range Plan	A-5
	Long-Range Plan.....	A-6
	Planning Assumptions	A-6
	Exempt and Non-Exempt Project Types	A-6
	Public Consultation Procedures	A-12
	Interagency Consultation.....	A-12
	Plan Conformity Determination (Conclusion)	A-12
	Environmental Justice	A-13
	Methodology	A-13
	Minority Populations	A-15
	Poverty Populations.....	A-15
	Conclusion.....	A-18
	Environmental Mitigation – Purpose.....	A-20

Interagency Consultation.....	A-20
Potential Mitigation Activities.....	A-22
NEPA (Project Development) Documentation Focus.....	A-23
Appendix B Public Participation Process & Materials	B-1
Background & Process	B-2
Materials	B-2
Appendix C Current & Forecasted Traffic Volumes	C-1
Appendix D Public and Agency Comments & Response	D-1

LIST OF TABLES

Table 3-1: Information Considered During Plan Policy/Strategy Development Exercise	3-4
Table 3-2: 2035 Transportation Plan: Policies, Strategies and Performance Measures.....	3-5
Table 4-1: Categories of Land Use and Measurement Units	4-1
Table 4-2: Existing and Forecasted Trips	4-4
Table 4-3: Existing and Forecasted Trips	4-4
Table 5-1: General APO Access Management Guidelines	5-3
Table 6-1: St. Cloud Metro Area Total Roadway Expenditure History: 1989 to 2008	6-10
Table 6-2: Summary of APO Planning Area 2035 Revenue Forecasts & Assumptions	6-5
Table 6-3: 2035 Summary of Investment Targets & Estimated Shortfalls for Cities and Counties	6-11
Table 7-1: Planning Level Threshold Volumes & Average Daily Traffic (ADT)	7-4
Table 7-2: Travel Demand Model Results by Funding Scenario's A, B, & C	7-5
Table 7-3: Travel Demand Model Results by Funding Scenario's C, C2, & C3	7-6
Table 7-4: 2035 Roadway Plan.....	7-17
Table 8-1: Metro Bus Cost & Revenue History: 2005-2009	8-7
Table 8-2: Ridership Projections by Route Number and Implementation Phase	8-9
Table 8-3: Revenue and Deficient Project by Route Following Phase 3 Implementation	8-10
Table 8-4: Tri-CAP Operations	8-12
Table 8-5: Tri-CAP Anticipated Revenue Sources: 2009-2013	8-14
Table 8-6: Tri-CAP Anticipated Operating & Capital Expenditures: 2009-2013	8-15
Table 8-7: RiverRider Operations	8-16
Table 8-8: Metro Bus Financial Capacity Analysis	8-24
Table 12-1: Number of Fatalities by Critical Emphasis Area	12-4
Table 12-2: Safety Strategies to Help Meet Safety Goals and Objectives	12-8
Table A-1: Transportation Control Measures to Obtain Maintenance Status	A-4
Table A-2: Hot Spot Screening Intersection Benchmark Criteria	A-7
Table A-3: 2035 Project Air Quality Conformity Analysis.....	A-8
Table A-4: Exempt Project Categories	A-10
Table A-5: Potential Hot spot Analysis Project Categories.....	A-11
Table A-6: Identification Process for Minority and Low Income Populations.....	A-14
Table A-7: Minority Populations by County.....	A-15
Table A-8: St. Cloud State University Students of Color – Fall Enrollment	A-15
Table A-9: Low Income Populations by County.....	A-18

LIST OF FIGURES

Figure 1-1: St. Cloud APO Planning Boundary.....	1-2
